Undergraduate Program Overview

The Associate and Bachelor programs at Monarch are

designed to provide the fundamental managerial skills required in today's business environment. The fully online programs focus on ease of use, affordability, accreditation and skill development. Programs can be followed by the course which provides tremendous flexibility in pursuing your academic dreams.

Affordable

At Monarch, enrolment is easy. Small individual course payments upon course registration allows immediate access to the material. Progress and pay on a course-by-course basis. Pay only for the course your are taking.

Fully Online

All programs at Monarch are fully online. That means you do not need to visit the campus during your program. Complete the program from anywhere. The only requirement is an internet connection and the desire to learn.

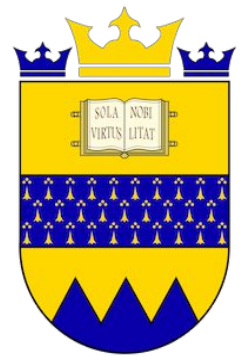

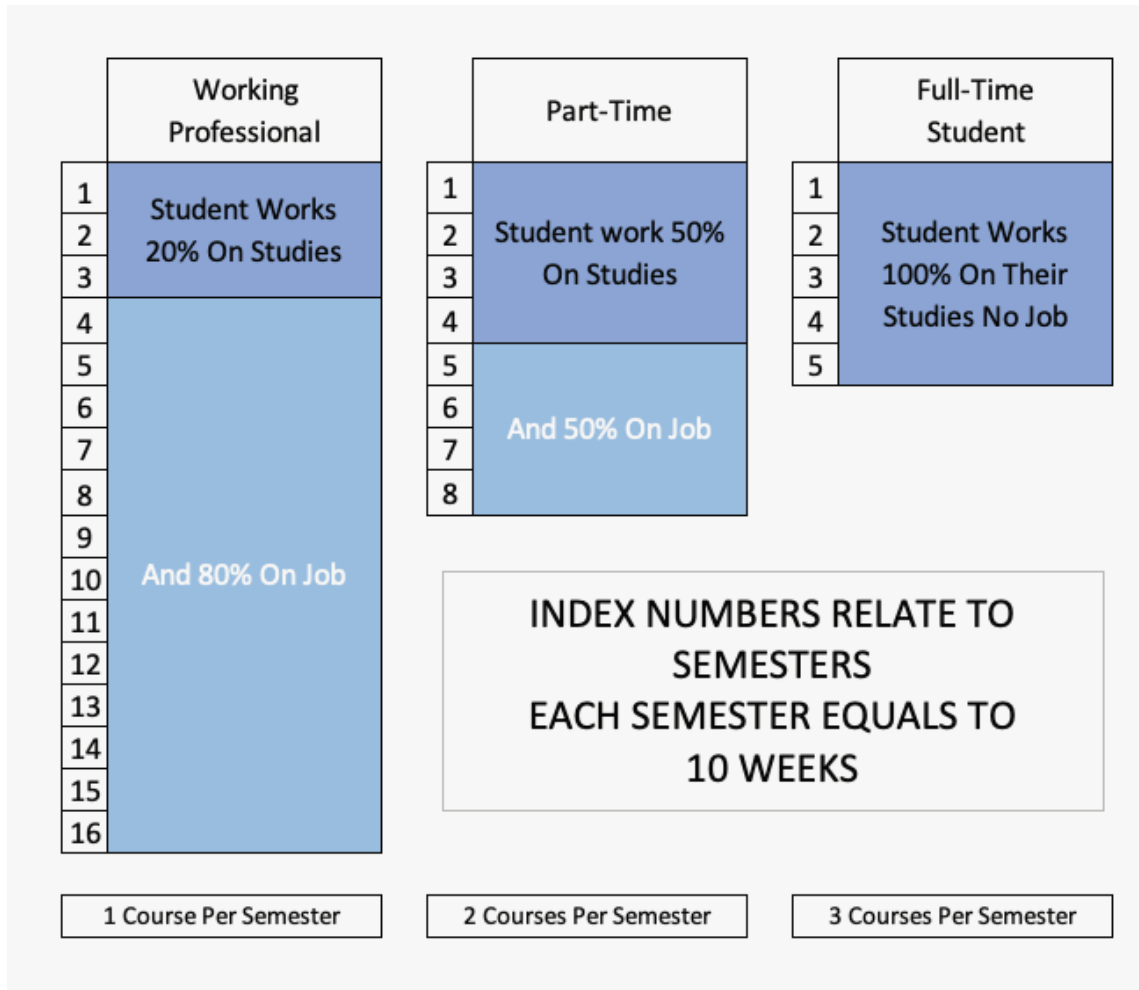

Asynchronous

Asynchronous means you progress at your own speed and your own schedule. Take breaks in between courses. You control the pace and speed of your own learning. There are no set times that you need to be on the platform. Rolling admission means you can start at any time.

Study Stream Alternatives

As a distance learning institution with fully online programs Monarch enables students to follow various study streams. Simply decide yourself on how you wish to follow your studies and then register within the corresponding courses when suitable to you. Take study breaks between courses as you see fit. Begin courses when you like. Below are a few examples.

Course & Program Certificates

Course certificates are automatically issued upon the completion of each course. Students may include the accomplishment on their resumes as soon as individual courses are completed. Program degree diplomas are printed once all courses in the program have been successfully completed. Once all courses are successfully completed the student may formally request graduation from the program.

Associate of Business Administration

The Associate program is designed to expose the student to the basic understanding of business concepts. The program introduces the common study areas within administration. The Business Administration Associate degree is a good starting point for those who have little to no exposure in business. Course are taken on an individual basis with course certificates being issued upon completion. Students may take more than one course at a time.

Are The Degrees Accredited?

Monarch holds institutional accreditation with EQAC-The Education Quality Accreditation Commission in Europe. Monarch is also the first online business school to obtain Triple Certification from the ISO-International Standards Organizations. This certification is recognized in 163 countries worldwide. Monarch is also a member of EFMD, ACBSP, CEEMAN and ACUNS-The Academic Council of the United Nations System,

How Are Students Assessed?

Each courses is split into units. Each unit contains a non-graded quiz that helps the student to master the material. The course contains a mid-term and final exam based on the quiz questions. The final grade is the weighted average of the

mid-term and final exams. Quizzes and exams are completed online.

Are There Any Residency Requirements In The Program?

The undergraduate programs are fully online and do not require any residency requirement.

Who Can Apply To The Associate Program?

The Associate program is open to anyone 18 years old and above.

Who Can Apply To The Bachelor Program?

Yes. The Bachelor programs are open to anyone 18 year old and above who hold a High School leaving certificate.

How Do I Register For The Programs?

Interested students should navigate to the Undergraduate

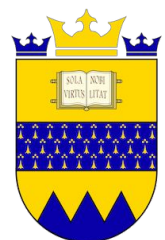

portal located at:

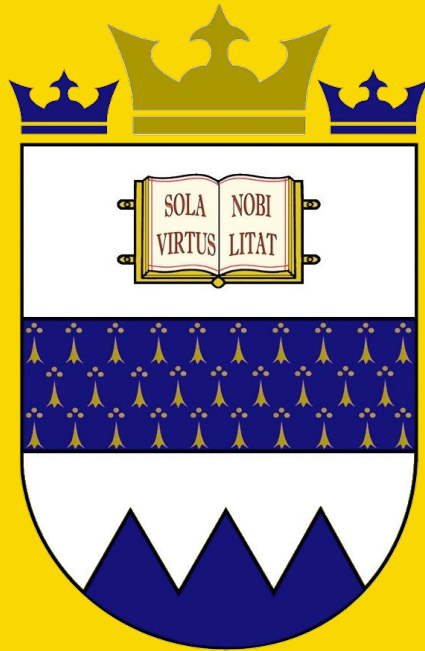

www.nobilisplus.ch.

Navigating to the Course Catalog enables the visitor to automatically sign up for individual courses on offer. Upon signing-up for the first course the student will create a username for future log-on and registration.

When Do We Receive Certificates?

The successful completion of each individual course results in a Certificate of Completion that is automatically delivered to the student electronically. Program completion results in the awarding of the formal diploma that is provided in electronic form as well as a formal diploma shipped to the student.
